Seeking a Spring 2021 co-op in computer science and software engineering.

Education

Rensselaer Polytechnic Institute | Troy, NY | May 2022

- Bachelor of Science in Computer Science, with an additional minor in Management
- GPA 3.85/4
- Notable courses include Data Structures, Foundations of Computer Science, Computer Organization, and Introduction to Management

Andover High School | Andover, MA | Jun 2019

- GPA 3.87/4 (unweighted), 4.53/5 (weighted) – honor roll, top 10% of a 446-member graduating class

Experience (work, volunteer, and independent projects)

Syntax Solutions | Andover, MA | Nov 2015 – present | *Co-founder/web-developer*

- Co-founded a business to address growing need from various local businesses to build an online presence
- Portfolio of multiple, completed projects available at syntax-solutions.xyz

University of New Hampshire Tech Camp | Durham, NH | Jul 2019 | *Camp counselor (day and night)*

- Counseled students (grades 8-12) at a STEM camp at the University of New Hampshire
- Aided students in various projects, including introductions to programming

Russian School of Mathematics | Andover, MA | Sep 2017 – Jun 2019 | *Tutor*

- Tutored students from grades 5-10 in mathematics by helping with math homework and concepts

iOS App for Andover High School Schedule | Andover, MA | Jul 2018 – Mar 2019 | *Independent app developer*

- Independently developed iOS app for students to keep track of 8-day rotation

TiE Boston Young Entrepreneurs | Boston, MA | Sep 2017 – Apr 2018 | *CTO of team of five*

- Attended workshops every other Saturday from September 2017 to April 2018 culminating in a business plan competition judged by a panel of venture capitalists
- Learned from real-world entrepreneurs about various aspects of running a startup (research, marketing, finance, prototyping, presentation, teamwork, and other interpersonal skills)
- Conceived, designed, and proposed, with early prototypes, a software to automate recommendations for teachers that suggest specific extra content catered to individual student needs

Indian Association of Merrimack Valley | MA | Jul 2017 | *Requirements consultant: voice of customer (volunteer)*

- Interviewed various board members of the Indian Association of Merrimack Valley (IAMV) to gather requirements and feedback for a beta website (iamv.org) for the organization
- Later relayed collected information to an overseas development team

Konjoian Education Center | Andover, MA (Now located in North Andover, MA) | Sep 2016 – Nov 2016 | *Intern*

- Gathered requirements, designed and built the center's website: www.konjoianeducationcenter.com
- Worked with business manager to implement new technologies for the company, such as email and online scheduling, and taught the staff how to use these technologies
